# SECRET CRUSHES

*We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd wash their car, meet their parents, or just that you have a secret crush on them!*

I've been a big fan of Rachel's for many years now, ever since I first saw her as a newbie a dozen years ago. And while many porn starlet wanna-bes have left the biz, Rachel has persevered and dominated. But for me, it's her great attitude about sex. Every movie or pictorial I've seen her in (and believe me, it's been a lot), she always seems to be liking her role. I love her tight bubble butt, especially when she's bent over something and is getting poked from behind. But for me, Rachel's the hottest when she's playing with other girls. Her lust for pussy is unlike others I have watched. But throw in a guy in a three-way or more-way, then her true animal nature comes out!

*– Sandy, Los Angeles*

It's kinda weird that I saw Sarah Vandella in your magazine last month. I wasn't going to write you, but I've been having recurring wet dreams about her. This is not for a night or two, but probably two to three weeks of constant dreaming. This is pretty unusual for me because this hasn't happened before, but not that I mind either. Who better to wake up wet and sweaty to, even if she wasn't physically there! I can tell you about one quickly because the others are way, way, way beyond X-rated. Okay then, we're driving a freeway in my convertible and she strips her top off and then sits on my lap facing front (remember it's a dream). I put it on cruise control and begin playing with her marvelous boobs from the back. I fondle and squeeze until she cums – a lot! I just keep rubbing and squeezing them.

*– Les, driving I-40*

# A DAY OF FUN AND SUN TURNED INTO A NIGHT OF AMAZING FUN IN THE BED

*Miami Beach has always fascinated me and my wife so we decided to go for a short vacation. The days went quickly and we saw all the sights and spent evenings cruising Ocean Boulevard. I think I may go back again – very soon.*

*Our vacation was about to expire and we wanted to get in one more night, but my wife's shopping plans fell apart. Now I had to improvise.*

Now, the wife was desperate to get some last minute shopping in. Along with her sister, Angela, (who came with us on the trip) they were going to meet up with some of her friends from there, so I was on my own for the rest of the day.

I was wandering around the Art Deco District, taking in more sights and managed to get myself lost with no idea of the route back to the hotel. I was standing on a corner looking around trying to work out which way I needed to go, looking very lost, when I heard someone say, "Do you need some help finding something?"

I turned to see this pretty blonde looking at me. "I guess I do. I was trying remember which way my hotel is?" She flashed me a smile and walked over to me. I told her the name and she said that she was going that way so she would walk with me, if I liked. I thanked her for her consideration and we started walking.

We exchanged small talk and she said her name was Maria. As we walked I couldn't help but notice what a great body she had and the most amazing boobs I had seen in a long time. I'm sure she saw me checking them out a couple of times but she didn't seem to mind.

We got back to the hotel after about twenty minutes and I invited her in for a thank you drink which she gratefully accepted. As we were in the hotel bar, Angela walked in so I called her over. Turns out her friends couldn't make it today so she

had come back to the hotel to work out what to do. One drink turned soon into a few and Maria and Angela seemed to be getting on like old friends. I must admit the did make a great site two beautiful ladies, one blonde and one brunette.

I made my excuses and went to our room to take a nap as I was feeling tired and I knew that my wife had a busy evening planned for us. I woke up about an hour and a half later. As my senses approached 100%, I became aware of talking coming from Angela's room which had a connecting door to ours. I walked over and slowly opened it and was greeted with a sight that will live with me forever; two naked ladies on the bed, Maria on her back with legs spread and Angela's head buried between them with her naked ass in the air.

I stood there with an open mouth not knowing what to do or where to look, although my cock understood and was stiffening immediately. I must have made a noise as suddenly they both looked around and saw me. Without hesitation, Angela beckons me over. I walked over as if in a trance and soon had two pairs of willing hands taking my clothes off and my cock was soon out in the open.

Maria and Angela bent down and started running their tongues up and down the length of my cock. I smiled and thought I had gone to heaven. Within seconds I felt the familiar tingling in my balls and knew I wasn't going to last much longer. "Take it easy on me." I said, but that just made them work harder on my cock.

A couple of seconds later I began to shoot my load over both of their tongues and faces. They kept licking at my cock until every drop was gone and then started kissing each other, passing my cum between them until both swallowed it down. They moved to the bed and started going at each other as they were before, Angela burying her head in Maria's pussy. I walked over and started touching Maria's gorgeous boobs. They were the finest pair I'd ever seen, just the right size but soft and firm with beautiful hard nipples.

I grabbed them, squeezing hard and loving the feel of them. Maria reached out and grabbed hold of

my cock which was rock hard again. She moved me round and started slapping my cock against her boobs. This seemed to turn her on even more and she started bucking and screaming as she came. All the time Angela was still munching on her pussy and was rewarded with a flood of Maria's juices. She pulled her face out from between Maria's legs to show us lady cum running down her chin and down her marvelous chest.

Maria stood up pushed Angela to the bed and moved her face onto Angela's pussy. I positioned myself behind Maria and ran the head of my cock against her wet pussy. It easily slipped between her pussy lips and my cock was soon fully enveloped. It felt so good warm and wet and a perfect fit. As she licked Angela, I slowly fucked her. I pulled out and walked round to where Angela was and presented her with my cock. She eagerly took it in her mouth licking off Maria's juices. I reached down and brushed my hand over her erect nipples.

Angela then looked at me and told me to fuck her. I couldn't turn a request like that down so I laid on the bed. Angela squatted over me and eased herself on to my cock. She was so wet and warm it slipped in easily. Maria positioned her pussy over my face and my tongue soon went to work. Maria and Angela were now facing each other and ran their hands over each other's boobs, squeezing and fondling them.

Angela's pussy was amazingly tight on my cock and her movement was awesome. That coupled with the sweet taste of Maria's pussy soon had my balls twitching again and within minutes I was shooting my load again and again into Angela's pussy. I slowly went limp and she slipped off me at which point Maria slipped a couple of fingers into Angela's pussy, pulling them out with my cum on them. She proceeded to lick them clean and then repeated it and fed them to Angela's waiting mouth.

I collapsed on the bed, smiling. Angela looked at me and said she thought Maria deserved a better thank you than just a drink for being a good samaritan and getting me back to the hotel. Now how could I argue that logic?

*Andie  
Valentino*

Admittedly, we were shocked when Andie agreed to a little fantasy time with us. She had always been a hard one to pin down to a date, but we kept trying and finally got together, and it wasn't disappointing. We only hoped she would stay long enough for us to cum.

# Andie Valentino

**Us:** Hi Andie. You've been a bit of a hard one to track down. Not in a bad way, we've had a lot of fun trying. Thank you for getting back to us.

**Andie:** I'm glad you did. I heard you were trying to reach me, so when I had a chance to reach out, I did.

**Us:** Nice. There are a few questions we have for you, so we're anxiously waiting for your responses.

**Andie:** Anxiously? (giggles) Okay, then go ahead, I'll try to do my best.

**Us:** In our research, we have not seen that many videos of you, and only one with a guy.

**Andie:** Wow, that is doing your research. Yeah, I like doing solo masturbation scenes or girl-girl scenes. As far as guys, that'll have to remain my little secret.

**Us:** Do you like sex with women better than sex with men?

**Andie:** No, I like them equally. It's just that I prefer women and solos in front of the camera.

**Us:** Well, since we're not seeing much of you on camera with men, can you please tell us what you like about them.

**Andie:** Gosh, what is there not to like, besides jerks. Before I developed, I was pretty nerdy and was very shy around men. As I got older and my body and mind

matured more, I began getting into guys. When I started in the business as a photo model, I just did solo stuff. My boyfriend finally convinced me to do it with him in front of the camera.

**Us:** Obviously, you did, but not again?

**Andie:** Oh yes, I did it again, but ultimately preferred not. I liked solo and girls better -- for a video.

**Us:** Do you like getting fucked or sucking cock?

**Andie:** Oh yes, I'm turned on by giving head, but I also love getting it. While I'm probably not the best cocksucker on camera, I do have a few tricks that men like. I use my tongue as much as sucking it. I use it in a playful mood and guys find it a real turn on!

**Us:** Tell us about your solos in front of the camera.

**Andie:** Well, that I've been doing on film since the beginning of my adult career. It was easy for me to do since I like to masturbate a lot in my own time. At first it was a little tricky to do in front of a camera, with the director telling you to stop and start so many times. I would masturbate in private to cum. I masturbate for the camera for you to cum. Big difference, Or at least to me it is. And there are all those people standing around and watching, but that you get used to pretty fast.

**Us:** You obviously like girls, too. Without naming names, can you tell us about your favorites.

**Andie:** Sure. My favorite body type is blonde, my height, natural breasts of any cup size. My preference is closely cropped pubic hair or none at all, especially the labia. No stubble! I'm not a big fan of stubble because it can scratch you up. Of course she should be nicely made up, nothing gaudy or over the top. Oh, and nicely manicured nails are real important.

**Us:** Tell us what you think about using adult toys in your scenes or personal love making.

**Andie:** Toys are fun, a lot of fun. I use them all the time and like to use them on my partners. Admittedly, there's only so much tongues and fingers can do, so toys are a nice change of pace. I especially like the butterfly kinds and pussy pumps. Vibrators are okay as long as there is a clit stimulator, too. I have a wide selection in my night stand drawer and I use them a lot at home, with and without a partner.

**Us:** Finally, do you have continuing plans in adult?

**Andie:** For now, it's fine. I really don't know what the future will hold for me and the adult business. Maybe I'll buy me a baseball team in the future. (laughs)
